

## **Pelican Valley Senior Living COVID-19**

6/19/20

An Update on Our Response to the Coronavirus (COVID-19):

Recently, the Minnesota Department of Health released guidance to outdoor visitation in long-term care settings, which includes Pelican Valley Senior Living. We are thrilled with the ability to bring loved ones together again. However, we recognize that we must maintain our heightened awareness on safety as we journey through this pandemic together.

Our teams are actively reviewing and working to implement MDH's guidance as we speak.

Watch for more information to be shared in the near future of an effective date, safety precautions that are required as well as logistics on how to schedule a visit!

Thank you for understanding that safety is a shared responsibility.
