

January 22, 2021

An Update on Our Response to the Coronavirus (COVID-19):

Our number one priority is the health, safety and wellbeing of those we serve and our staff. Safety has been—and will continue to be—our highest priority.

We have received the first round of the COVID-19 vaccine for residents and staff of our Care Center, Riverfront Manor and Riverfront on Main campuses. We are thankful for the vaccine and are eager to begin a new chapter in our fight against this virus.

Thank you for your continued support and prayers as we've been navigating the pandemic together.

As of Friday, January 22, 2021, our current cases include:

- Care Center: No active cases. Visitation open.
- Riverfront Manor: One active resident case. Visitation closed.
- Riverfront on Main: No active cases. Visitation re-opening Monday, January 25th.

We closely follow all recommendations from various health agencies, including Ottertail County Public Health, the Centers for Disease Control and Prevention, the Minnesota Department of Health, Centers for Medicare and Medicaid Services among others.

The Minnesota Department of Health, has set up a free hotline for anyone who has questions about Coronavirus (COVID-19). Call the MDH hotline at: 1-651-201-3920. We will continue to provide updates to you to keep you informed of our ongoing work. **Please note: This is a fluid situation and updates are in continuous development. Help us keep family and loved ones informed by visiting our website:** <https://www.knutenelson.org/covid-19-coronavirus-updates>

*Health agencies providing recommendations to us include the Centers for Disease Control and Prevention, World Health Organization, Centers for Medicare and Medicaid Services, local medical advisors and public health advisors among others.
